HOST YOUR EVENT WITH US

Good Food. Good times. Bad behaviour.

The Freak Scene family was born from Scott Hallsworth's love of Japanese flavour and unapologetic creativity. From Michelin kitchens to the chaos of street food, every dish is designed for sharing, talking, and celebrating.

From birthdays, work parties and Christmas feasts to brand launches, wrap parties and private dining, we've hosted it all. Each of our venues has its own personality — from the chaos and cocktails of Freak Scene Balham, to Freak Momma's punk-kawaii diner energy, to the late-night glow of Kuroyoko. Whatever the occasion, we'll tailor the food, drinks, and soundtrack to fit your crowd.
